GENERAL INFORMATION

applying to

EXECUTIVE TECHNIPLAN EQUIPMENT

Executive Techniplan exterior surfaces are custom finished and the hardware is of special design and color, selected for each individual requirement. To avoid delay, each order should include the following information:

1) The exterior finish color combination desired.
2) Color and number of the laminated plastic to be supplied on Desk and Auxiliary tops.
3) Name of design for the exterior pull to be used on the equipment.
4) Finish to be supplied on the hardware.

Use the catalog designations for identifying these features.

DESK AND AUXILIARY TOPS

Executive Techniplan Desk and Auxiliary tops are surfaced with Micarta, a laminated plastic material, available in following standard colors:

No. H-4069—Cocoa No. H-4071—Sandstone
No. H-4070—Aqua No. H-4072—Gray
No. H-4073—Charcoal Mardi Gras

EXTERIOR HARDWARE

Executive Techniplan exterior hardware is cast aluminum, in anodyzed aluminum or anodyzed bronze finish. Indicate the design and finish on hardware using catalog designations.

CUSTOM FINISH COLOR COMBINATIONS

A comprehensive selection of recommended finish color combinations appears on page 17 of the Executive Techniplan catalog.

The Standard Body Colors are:

No. 60—Sea Green
No. 61—Jet Blue
No. 62—Seal Brown
No. 63—Suede Brown
No. 64—Mountain Gray
No. 65—Slate Gray
No. 66—Pewter
No. 67—Timber Tan

The Standard Accent Colors are:

No. 70—Avocado
No. 71—Strato Blue
No. 72—Capri
No. 73—Oyster Gray
No. 74—Parchment
No. 75—Terra Cotta

Custom finish two-tone color combinations may consist of above "Body" and "Accent" colors or other special plain colors at the regular price without extra charge, except Cream, Gold and White; price for these colors will be submitted upon request.

Custom finish combinations may consist of any of the above standard "Body" and "Accent" colors.

All Executive Techniplan equipment is custom finished to order, and after an order has been accepted it will not be subject to change or cancellation without written consent from the Home Office of The Globe-Wernicke Co.

If such consent is given there will be a reprocessing charge to reconvert the equipment to a standard finish color. The amount of this charge will depend upon the factors involved in each specific transaction.
